

Honor Someone You Love

✿ You can either sponsor a child in honor of someone else, or give a monetary contribution in their name.

✿ Those who receive an honorary sponsorship from you will be sent a picture and information about the child who is being assisted in their honor.

✿ For each gift contribution of \$20 or more, Gokulam will send a card to the recipient, announcing the donation you have given in his/her name.

Corporate Giving/Group Giving

✿ Businesses and social groups are also encouraged to sponsor a child or support Gokulam. A child might be sponsored by a department within your company, a church group, PTA, a class, a book club, women's group, or a Boy or Girl Scout troupe.

✿ Your gift may be designated to mark a special holiday, corporate milestone, or goal reached.

✿ You may also choose to make a \$20 gift contribution to the Children's Home in honor of a particular individual in your workplace or group. Each honoree will receive a special gift card from Gokulam expressing your generosity.

✿ At the other end of the scale, a company can underwrite a particular project. For example, the donation of a much needed new dormitory building.

Sponsor a Child

✿ Founded in 1999, the goal of Gokulam is to provide orphaned and needy children with family care and a complete education, so that they will possess the self-confidence, determination, and integrity to realize their full potential in life.

✿ When you sponsor a child you commit to make a regular contribution each month for one year.

✿ You will receive a welcome package, which includes a photograph of your child, a short biography, information about the orphanage and its programs, as well as facts about Sri Lanka. You will also receive a yearly update to let you know about your child's progress and achievements. Each year, you will receive an update on your child's well-being, as well as a special message from your child.

✿ Your monthly gift of \$35 will be combined with the contributions of other sponsors to make resources available to benefit all the children in the orphanage. Your gift will even help children who have not yet received a sponsor.
